

detaliu ilustrativ

A circular landscape architectural plan. In the center is a semi-circular building with a white roof and a dark interior. To the right of the building is a blue pond. The surrounding area is filled with various plantings, including green trees, yellow flowers, and red flowers. A winding path leads from the building towards the pond. The entire plan is enclosed within a circular boundary with a dashed line.

An aerial perspective of a modern architectural complex. The building features multiple levels with flat roofs covered in green vegetation. Large glass facades are visible on the lower levels. The building is surrounded by a lush, landscaped courtyard with winding paths, green lawns, trees, and a small pond. People are seen walking on the paths and sitting on the grass, suggesting a public or recreational space.

An architectural elevation drawing of a building facade. The central feature is a tall, narrow door with vertical paneling. To the left of the door is a window with a dark frame and vertical slats. To the right of the door is another window with a dark frame and vertical slats. The building is flanked by two trees: a large, dark, leafless tree on the left and a smaller, lighter, leafless tree on the right. The drawing is in a minimalist, line-art style with a white background and a dark horizontal line at the base.

An architectural elevation drawing of a building facade. The building features a central entrance with a large glass door and windows, flanked by solid wall sections. To the left of the building is a large, stylized tree with dense foliage. To the right is a smaller, flowering tree with red blossoms. The foreground shows a flat ground plane with some low-lying plants and a small figure of a person near the entrance for scale.

An architectural elevation drawing of a building facade. The central feature is a large glass door with vertical muntins. To its left is a large window with horizontal muntins, and to its right is a smaller window with vertical muntins. The building is flanked by two smaller, solid-colored rectangular volumes. The drawing includes stylized trees and landscaping elements, such as a large tree on the left and a flowering tree on the right.

An architectural elevation drawing of a building facade. The central feature is a large glass door with vertical muntins. To the left of the door is a window with a dark frame and a small, dark, rectangular object (possibly a planter or a small structure) below it. To the right of the door is another window with a dark frame and a small, dark, rectangular object below it. The building is flanked by trees and shrubs. On the left, there is a large tree with green foliage and a smaller tree with red foliage. On the right, there is a large tree with green foliage and a smaller tree with red foliage. The drawing is done in a simple, line-art style with green and red colors for the foliage.
